

An aerial photograph of a rural area with a red boundary outline. The boundary is a closed polygon with several vertices. The area inside the boundary is mostly green fields and some trees. Outside the boundary, there are various features including a large industrial building with a corrugated metal roof in the top left, a road labeled 'STATE RD 1124' in the bottom left, and several other roads labeled 'JARMAN RD', 'ROBINSON BRIDGE RD', and 'ROBINSON RD'. There are also some small ponds and patches of bare earth or brown soil.
