The Trustee shall be authorized to retain an attorney to represent him in such proceedings. The proceeds of the Sale shall, after the Trustee retains his commission, together with any addition attorney's fees incurred by the Trustee, be applied to the costs of the sale, including but no limited to costs of collection, taxes, assessment, costs of recording, service fees, and incidental expenditures, the amount due on any note secured by the property, and any advancements made by the Association in the protection of the security.

If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien subject to the lien of the governmental authority levying said ad valorem taxes on the Lot of the then owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the owner.

Section 9. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage. Sale or transfer of any Lot shall not affect the assessment line. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

A request for additional information shall be deemed a determination that the information submitted was inadequate and the thirty (30) day time period for response shall only commence upon the receipt of the requested additional information. Conditional approvals may be granted and if approval with conditions is granted and thereafter construction begins, the construction shall be deemed approved by the owner of the lot of the conditions imposed.

(2) Refusal of approval of plans, specifications and plot plans or any of them may be based upon any ground, including purely aesthetic grounds, which in the sole and uncontrolled discretion of the Architectural Control Committee shall deem sufficient. The Architectural Control Committee shall make the following affirmative findings before any plans are approved:

- (a) That the improvements sought to be constructed will not have a negative economic impact on any other lot within the subdivision.
- (b) That all required specific buildings standards and other conditions contained within the Restrictive Covenants, By Laws and other subdivision documents have been met.
- (c) That the improvements are architecturally compatible with proposed or constructed improvements on other lots within the subdivision.

The members of the Architectural Control Committee shall not be entitled to any compensation for services performed pursuant to this covenant. Any Owner may appeal the decision of the Architectural Committee provided that all parties involved comply with the decision of the Architectural Committee until such time, if any, as the Board of Directors amends, or reverses the Architectural Committee's decision. Appeals petitions must be legibly written, state the grounds for appeal and be submitted to the Board of Directors within thirty (30) days of the decision of the Architectural Committee. The Board of Directors shall act upon the appeal by amending, reversing or confirming the decision of the Architectural Committee within thirty (30) days of receipt of the petition. The Board of Directors' decision shall be by majority vote. Any owner must exhaust this avenue of appeal prior to resorting to a court of law or equity for relief.
