

THE SHORES AT LANDS END HOMEOWNERS ASSOCIATION

RULES AND REGULATIONS

CLUBHOUSE USE

The clubhouse is available to reserve at no charge to members of SLEHOA in good standing. Good Standing means that no money is owed to the Association in any form. When a member reserves the clubhouse for a private function, the member must be in attendance for any reservation activity and cannot assign the reservation to a non-member. The clubhouse may be used for recreational purposes only; the swimming pool is not reserved as part of the reservation request and the pool is always open to all members and their guests. Pool users will use the outside restroom and shower facilities when the clubhouse is reserved. Members who reserve the clubhouse may not use the premises to conduct business or commercial enterprise of any type. Use of the clubhouse for commercial services, especially where non-members are being serviced, could expose the Association to insurance risks and is not permitted.

GRILLS ON SLE PROPERTY

Grills are allowed on the property but may not be placed on the porches of the clubhouse or inside the pool area. Grilling must be done in the open park areas and be located a minimum of 20 feet from the clubhouse or pool areas to avoid the smoke and fumes from irritating others using the facilities.

BOAT RAMP

Members may use the boat ramp at the clubhouse to launch watercraft. After launching watercraft, all vehicles and trailers must be moved from the boat ramp and parked in the clubhouse lot or moved to the member's lot. The boat ramp must not be blocked by a vehicle, trailer, or other obstacle and only used for the input and removal of watercraft.

ANIMAL RESTRICTIONS

Animals are not allowed to be housed in any pens or out-buildings on a full time basis. A small, enclosed pet house is allowed but pets cannot remain outside full time and must not become an annoyance or a nuisance to the residential neighborhood.
